## **Verse 1**

**Speak your word in my heart; I want to know you more  
Teach my wondering heart to only you adore  
You know my thoughts and my words before I say them  
That you love me Lord is more than I can bear**

## **Chorus**

**Lord lead me in your presence, I want to seek your face  
Teach me how to bow before your throne  
I humbly come before you to worship you alone  
Lord change my heart I am one of your own**

## **Verse 2**

**Where can I go that I could run from your presence?  
Where I go, your love would still find me there  
In dark-est night light still shines all around you  
And you comfort me with peace beyond compare**

## **Chorus**

## **Verse 3**

**I praise you Lord because I know that you made me  
Every day I live was meant for me to see  
You saw me when my life was formed in secret  
How precious Oh God are your thoughts to me**

## **Chorus**

## **Ending**

**Lord change my heart (change my heart)  
Change my heart (change my heart)  
I am one of your own**
